

# Opportunity Principal - Atul Vidyalaya

## Atul Ltd

Established in 1947, Atul Ltd is the first private sector company of India inaugurated by its first Prime Minister, Pandit Jawaharlal Nehru. The Company is part of the Lalbhai Group, one of the first business houses of India. Current annual sales of the Group are US\$ 2 bn. The Founder of our Company, Shri Kasturbhai Lalbhai, left a mark of his social intent in every business enterprise he established; enriched with this legacy, we are carrying it forward in our own small way. The Company manages 3 schools, 2 Industrial Training Institutes (ITIs) and 1 vocational training institute through Atul Foundation, the apex body for implementation of all projects | activities related to serving society.

## Atul Vidyalaya

Affiliated to the Council for ICSE, Atul Vidyalaya was established in 1991 as a co-education school. The current strength of the school is 1,200 students and 67 teachers. Spread across 24 acres of afforested land in Atul complex (the first site of Atul that spans across 1,250 acres), the school has excellent academic and extra-curricular infrastructure which includes a state-of-the-art computer center, 'smart' class rooms, laboratories, a library, a multi-purpose hall and a sports complex with facilities for tennis, table-tennis, swimming and other activities.

## Mandate

The mandate is to build Atul Vidyalaya further on this strong foundation and promote an environment that nurtures students to develop into able human beings and helps them perform at their full potential. Emphasis on inculcating Values is given as much importance as is excellence in academic performance and extra-curricular activities. The Purpose of the school is to aid in the holistic development of a child and prepare him (her) to thrive in today's dynamic world.

## Ideal candidate

The ideal candidate will have functional competence, passion for excellence and inspiring leadership to manage and grow a school of the future – he (she) will have a bright academic background and relevant experience in a school of repute, amongst others, will articulate and institutionalise processes; he (she) will be guided by Values and driven by excellence in developing the generation next; he (she) will meaningfully engage all Stakeholders in the development of the school. Candidates with higher potential can look forward to this as an opportunity for growth in the Education Program of Atul Foundation which oversees schools, vocational training institutes and ITIs.
