Forward Looking Statements

In this Annual Report, we have shared information and made forward looking statements to enable investors to know our product portfolio, business logic and direction and thereby comprehend our prospects. Such and other statements - written and oral - that we may periodically make are based on our assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'intend', 'plan', 'project' and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward looking statements will be realised although we believe we have been prudent in our assumptions. The achievement of results is subject to uncertainties, risks and even inaccurate assumptions. If uncertainties or known or unknown risks materialise or if underlying assumptions prove inaccurate, actual results can vary materially from those anticipated, estimated, intended, planned or projected. We undertake no obligation to publicly update any forward looking statements, whether as a result of new information, future events or otherwise.

United by Purpose

Mr Kasturbhai Lalbhai

(1894-1980)

Our Founder was one of the foremost Indians of his times. He lived his life with larger purpose and considered business enterprises as means to serve the society. He led an exemplary life that was characterised by trusteeship, simplicity, humility, integrity and excellence. We are proud of this legacy and will endeavour to live up to it.

We are a conglomerate committed to significantly enhancing value for all our Stakeholders by:

- fostering a spirit of continuous learning and innovation,
- using science and technology in a responsible way,
- providing high quality products and services, and becoming the most preferred partner,
- having people who practice Values and high standards of behaviour,
- seeking sustained, dynamic growth and securing long-term success,
- taking responsible care of the surrounding environment and
- improving the quality of life of the communities we operate in.

Aligned by Values

The name Atul is a unique asset, which amongst others, connotes a rich heritage of Values. In an environment where change is a way of life, continuity of Values is fundamental to us. We have therefore formalised key Values and are committed to institutionalise them.

We will seek to create an environment wherein these Values are consistently practised and nurtured and ensure that they are not compromised to realise short-term gains.

Integrity

The foundation of every relationship is trust, and trust is based on Integrity. Integrity means working with honesty, following the highest standards of professionalism. Integrity is when our decisions and actions remain consistent with our thoughts and words, written or spoken.

Understanding

How well one works with others depends on his (her) ways to connect, and this in turn is based on his (her) level of Understanding of human relationships. Understanding does not mean accepting poor performance, but it means doing it the right way. Understanding is not only an external manifestation, but also an internal realisation.

Unity

Living in a state of oneness brings Unity. Unity means working together and taking advantage of synergy while harnessing unique abilities of each individual to achieve a larger goal. Unity is the realisation that though we may work in different areas, we are finally interconnected and that interdependence is a higher order of living than independence; though we may be many, we share a common destiny.

Responsibility

Responsibility implies doing whatever it takes to deliver value and taking ownership of our actions. Responsibility must also give rise to the realisation that what is good for the business must be in the overall good; in other words, working in the spirit of trusteeship not only for the shareholders, but also for other stakeholders such that ultimately what comes from the society goes back to it many times over.

Excellence

Excellence is a drive that is more from inside than outside; it is about one seeking to continuously improve and better performance. Excellence means endeavouring to achieve the highest possible standards in our day to day work; it means to develop an inspiring Vision and realise it. In many ways, Excellence is also a journey, not simply a destination in itself.

Balwantrao Mazumdar
(1902 to 1981)

Educated at London School of Economics, Balwantrao Mazumdar was a professor at Banaras Hindu University. He met Kasturbhai in 1933 who initiated him into Arvind Ltd and later Atul. A voracious reader, sound thinker, patient listener and farsighted professional, he created an atmosphere of camaraderie that brought out the collective best of the employees. He was the moving force behind making Atul one of the largest eco-friendly chemical sites. He remained with the Group till the end of his life as did most of the people who directly worked with the Founder.

Kasturbhai Lalbhai
(1894 to 1980)

Our Founder, an institution builder par excellence, made seminal contributions, particularly in the fields of industry, education, culture and religion. His pioneering efforts helped in the process of transformation of a colonised and impoverished India to a land of emerging hopes and opportunities. He led a purposeful life imbued with trusteeship, simplicity, perseverance, integrity, humility, excellence and discipline.

Siddharth Kasturbhai
(1923 to 1998)

Siddharth Kasturbhai, a chemical engineer by education, shifted his base to Atul in 1952 and made it his *karmabhumi*. He was deeply aware of his purpose and actualised the vision of his father with foresight and thoroughness. An austere, low profile leader, he promoted ethics in business and trusteeship in governance. In his own determined way, he embedded humaneness into commerce as he helped build one of the finest chemical sites of its kind and developed Atul as a well diversified conglomerate.

The tryst with destiny had occurred, and India became independent in 1947; yet the problems for its teeming millions remained and hit hard at the faces of its new polity.

Infused by the new found freedom, Kasturbhai Lalbhai, then 53, took a big leap forward. He founded Atul on September 15, 1947, exactly a month after formal independence, and the nationalist Indian in him fully imbibed the clarion call for self-reliance, employment generation and wealth creation in rural areas.

Along with his confidant, Balwantrao Mazumdar and son, Siddharth, Kasturbhai set out in a bullock cart in the scorching heat of May and arrived at the banks of the river Par. Here, a barren land stretching upto the foothills of Parnera was quietly awaiting. The deep intuition resulted in the decision to acquire the vast span of about 1,000 acres of land, now called Atul, in less than a minute.

Letter to the Shareholders

Dear Shareholders,

Atul completed 60 years of service through business, and we pay **tribute** to our Founder, Mr Kasturbhai Lalbhai, for leaving behind a legacy of Vision, Perseverance and Ethics. We also express our gratitude to Mr Balwantrao Mazumdar and Mr Siddharth Kasturbhai for their life time commitment in building strong foundations and creating one of the finest chemical sites in the world. Our committed employees and illustrious Directors are the backbone of our future growth, and we are looking forward to expand and diversify our business footprints in a responsible way.

The world economy is estimated (by IMF) to have grown 3.8% in 2011 - advanced economies 1.6% and emerging economies 6.2%, with GDP for the year of around US\$ 70 tn. Indian economy is estimated (by the Government) to have grown 6.9% in 2011-12, with GDP of around US\$ 1.7 tn. Despite the hugely uncertain economic and political outlook at this time, we remain steadfast in fulfilling the needs of diverse industries which provide infinite possibilities, thus creating, giving and adding value.

The growth of the world Chemical Industry in 2011 was about 4.8%, with revenues of around US\$ 3.4 tn. (excluding Pharmaceutical industry). Indian Chemical industry, despite a huge untapped potential, grew only about 7%, with revenues of around US\$ 83 bn. The United Nations proclaimed 2011 as the **International Year of Chemistry**, commemorating the achievements of chemistry. Grounded in the knowledge of chemistry, our Company, in its own small way, is working to make the label 'Made in India' proud across the world.

The price of crude oil fluctuated between US\$ 75 and US\$ 114 per barrel; coal price in India increased by 24% and Indian ₹ vacillated between 44.65 to 54.24 to the US\$. As the key raw materials used by our Company are derived from crude oil, steam and electricity are largely generated from coal and exports, imports and foreign currency loans are

largely denominated in the US\$, any abrupt changes in them affect our profitability. We will embrace **external realities** by seeking consistent internal improvements and actualising new growth opportunities.

We are not happy with the **results** we delivered which are as follows:

- Sales grew by 17% from ₹ 1508 cr to ₹ 1761 cr
- Contribution margin declined from 27% to 26%
- PBT before exceptional items declined from ₹ 129 cr to ₹ 116 cr
- PAT decreased from ₹ 90 cr to ₹ 88 cr
- RoCE declined from 18% to 17%
- Gross working capital improved from 151 days to 150
- Borrowing increased from ₹ 327 cr to ₹ 388 cr

Our Company pursued several Key Initiatives to seek faster **growth**:

- Completed *p*-Cresol project
- Commenced implementation of 2,4 DCP, BLR 1 and BLR 2 projects
- Executed 29 debottlenecking and small projects
- Commissioned multi-purpose facilities in Atul Bioscience
- Acquired DPD, a company engaged in tissue culture of date palms
- Commissioned tissue culture facility of Atul Rajasthan Date Palms
- Formed a JV each for textile chemicals and stone care chemicals

We pledge our unflinching allegiance to a dynamic future wherein we will reappraise, redefine and restructure, with interactive solidarity. We cherish our legacy, but our dreams outweigh our memories, and we will forever remain a new company to pursue them.

Once the projects underway are completed (during 2012-13), our Company will have the potential to cross sales of ₹ 2,500 cr, and it will be our endeavour to make this happen in 2013-14. We are at the same time improving our performance in the marketplace and workplace with clearly defined Key Initiatives. More importantly, we are consistently focusing on strengthening our **processes** and developing our **people** so that we are able to bring in the required depth and quality in the management as we expand and diversify.

In step with the tradition established by our reflective Founder, Mr Kasturbhai Lalbhai, that business must have a **larger purpose**, our Company continued with several Key Initiatives to serve the society. Rather than simply going after the quantity of work to be accomplished in this area, we are paying attention to improve the quality; for example, Atul Vidyalaya, one of the schools promoted by Atul, is considered amongst the best in imparting holistic education and Atul Club, amongst the best for sports.

Ultimately, our performance and in turn that of our Company will depend upon how well we think, plan and execute, individually and collectively. During the year, we established

three Centres, namely, Learning, Inspiring and Serving to reaffirm what we stand for and work for; I have confidence that these Centres will remain our guiding stars for the years ahead and, together, help us become better, personally and professionally, in turn power our performance to serve all our Stakeholders.

Diamond on the cover page symbolises more than just a jubilee. It symbolises the test of our strengths to remove our weaknesses, our endurance to face difficulties and our aspirations to reach our highest potential. The lower profit may have upset our track record of the last 7 years of consistent improvement, but not our resolve; it has only become stronger. We remain committed to our **Purpose** and **Values** even as we will redefine our Vision, Strategy and Initiatives to grow and serve. I thank you for your support in this endeavour.

Sincerely,

Sunil S Lalbhai
Chairman & Managing Director

Operational Highlights

We are constantly looking within to find better ways of managing our operations, at the workplace as well as in the marketplace, so that we are not tied only to the vagaries of the unpredictable external business environment. We are therefore endeavouring to develop the ability to go into details, individually and collectively, and build on human creativity.

Research

Our Research Unit has the mandate to improve the existing processes and products, validate assumptions and develop new products and formulations; thus using chemistry in a responsible way to support the endeavour to achieve strong presence in the marketplace and profitable and faster growth.

Each Business has a dedicated R&D and QA Departments; these along with the Corporate R&D form RE Unit, with 258 employees. The Company is consistently investing in people and equipments to strengthen these vital functions for i) achieving cost leadership and assuring world-class quality, ii) lowering pollutants significantly and iii) introducing regularly new value added products and formulations.

During the year, the Unit helped to overcome 46 manufacturing related problems and improve 78 processes. It developed 121 products and formulations and supported 8 scale-ups. It undertook 18 initiatives to cut down gaseous, liquid and solid pollutants. It is now well equipped to support introduction of new APIs and value added API intermediates in its new 22,000 PI R&D Centre, all belonging to Life Science Chemicals Segment.

Technology

The main focus of our Technology Unit is to provide to the customers with world class quality products manufactured with the rigour of continuous improvement in process efficiency and people productivity along with equal commitment to safety and environment.

Each Business has dedicated Manufacturing and Technology functions; they share the responsibility of meeting the agreed volume and efficiency budgets on the one hand and achieving consistent improvements in Unit Operations and Unit Processes. In particular, the mandate is to improve yields, obtain maximum recoveries, lower electricity, water and steam consumptions, make the processes robust and thereby reduce off-spec batches, reduce manual work, ensure safety, consistently reduce environment impact, etc and thus significantly contribute in improving the quality and consistency of profit. The combined number of employees in these two functions is 1589.

During the year, the output in volume term was higher by 13%. There were in all 130 initiatives taken up to bring about multifarious improvements: 25 for yields, 21 for raw materials, 47 for capacity enhancement, 17 for utilities, 3 for automation and 1 for converting batch process to continuous and 16 for improving Safety, Health & Environment performance. An investment of ₹ 52 cr was made to enhance the capacity and eliminate a major liquid effluent stream, the full benefit of which will commence in 2012-13.

Safety, Health & Environment

It was indeed perceptive and thoughtful of the builders of Atul to have sensed the need for sustainable development, 50 years before it became a part of the national discourse. The huge investments voluntarily made for treating gaseous emissions, liquid effluents and solid wastes and the almost obsessive interest in creating eco-friendly systems underscore their devotion to environment protection.

The Company is continuously investing its resources so as to consistently improve its SH&E performance. During the year, it took many initiatives related to SH&E and some of them are as under:

Safety

- Published and distributed Safety Handbook to all in Ankleshwar Site
- Lined up 11 products for REACH registration phase 2
- Converted 300 Material Safety Data Sheets into Extended Safety Data Sheet
- Conducted 131 programmes for enhancing safety awareness covering 710 mandays
- Initiated consequences analysis for 7 identified chemicals
- ...
- Two employees received *Shram Ratna* and one employee received *Shram Bhushan* awards given by the Government of Gujarat

Health

- Introduced manual for monitoring health of employees
- Introduced information sharing regarding health on Intranet
- Checked general health of 2,453 employees
- Completed wellness assessment program for 186 identified managers
- Conducted 7 programmes for fitness and health awareness

Environment

- Added 1 procedure for e-waste management
- Made monitoring of gaseous emissions more efficient by installing on-line equipments in selected plants and areas at Valsad site
- Undertook 4 projects to enhance efficiency and effectiveness of effluent treatment at Valsad site
- Installed 1 decanter to enhance sludge dewatering efficiency and thus capacity of the treatment facility at Valsad site
- Commissioned on-line TOC analyser at Ankleshwar and Valsad sites
- Planted 82,000 trees in *Atul* village and 500 trees in Ankleshwar town on public roads to green the areas

Though the Company has a well staffed SH&E Department, consisting of professionals with relevant education and experience, the responsibility in this area finally rests with all the employees. Regular training programmes are conducted to ensure that commitment to SH&E remains an integral part of the operations.

Serving the Society

The best way to find yourself is to lose yourself in the service of others.

– Mother Teresa

Atul is a story of a dream driven by a strong social purpose. Our Founder, Mr Kasturbhai Lalbhai, may have been an industrialist by definition, but he was a socialist by character. His contribution to India, particularly in the fields of economy, education, culture and religion is a living testimony of his intent of life. We as the people of Atul have the onerous of responsibilities to expand and diversify business footprints and nurture his legacy of serving the society.

Over the last six decades, the Company has built schools, medical centres, recreation and sports facilities, community halls, temples, etc and contributed in establishing and (or) managing schools, medical facilities, etc mainly in Valsad district, but also elsewhere.

During the year, the Company undertook several initiatives in the areas of education, health and culture, particularly in and around its manufacturing locations, some of which are highlighted below:

Culture

- Arranged 5 cultural events
- Organised 3 food festivals
- Organised 1 *anand mela*
- Organised 6 sports events

Education

- Built new classrooms to enhance the number of students in pre-primary section of Atul Vidyalaya by 50%
- Conducted 1 class for creating awareness in science, covering 25 students
- Provided 9,500 writing materials to 2,400 students of 18 primary schools
- Organised tour of the students of Atul Vidyalaya and Atul Vidyamandir to Indian Navy and National Defence Academy

Empowerment

- Conducted 1 class for garment making, covering 20 ladies
- Conducted 2 classes for repairing of computers, covering 20 students
- Conducted 7 classes for teaching computers, covering 132 students
- Progressed establishment of Atul Institute of Vocational Excellence

Health

- Conducted 7 eye camps, examined 1797 patients, arranged 41 cataract operations and provided free spectacles to 1580 people
- Organised 12 blood donation camps; Atul Rural Development Fund was awarded Star Blood Donor Institution of Gujarat
- Conducted 2 general medical diagnostic camps

Infrastructure

- Constructed 6 civic amenities
- Participated in 2 projects to improve drinking water facilities
- Undertook up 2 projects in 2 villages related to social welfare

The Company established Atul Foundation during the fiscal as an apex trust to help structure its different initiatives under one umbrella; this will help in articulating and executing the plans to serve the society in selected areas of national priority and reviewing the progress.

Directors' Report

Dear Members,

The Board of Directors presents the Annual Report of Atul together with the audited statement of accounts for the year ended March 31, 2012.

Financial results

(₹ cr)

	2011-12	2010-11
Revenue from operations	1795	1534
Other income	12	19
Total revenues	1807	1553
Profit before tax and exchange rate difference	134	148
Exchange rate difference - expense	12	9
Profit before tax	122	139
Provision for tax	34	43
Profit for the year	88	96
Tax adjustments for the earlier years	-	(6)
Profit available for appropriation	88	90
Balance brought forward	334	265
Disposable surplus	422	355
Appropriations		
General reserve	9	5
Proposed dividend	14	14
Dividend distribution tax	2	2
Balance carried forward	397	334

Dividend

The Board recommends payment of dividend of ₹ 4.50 per share on 2,96,61,733 Equity Shares of ₹ 10 each fully paid-up. The dividend will entail an outflow of ₹ 15.52 cr (including dividend distribution tax) on the paid-up Equity Share capital of ₹ 29.66 cr.

Financial Performance

Net sales grew by 17% to ₹ 1761 cr including a growth of 21% in exports and 14% in domestic market. However, the margins were under pressure and reduced slightly; the PBT before exceptional items reduced from ₹ 129 cr to ₹ 116 cr. The reduction in profitability was mainly on account of increase in input prices, fixed costs, exchange loss and interest. During the year, CARE assigned CARE A1+ rating to the proposed CP issue. CARE also upgraded credit rating to CARE A+ (from CARE A in the Previous year) for long-term debts, while maintaining top notch CARE A1+ for short-term debts.

Insurance

The Company has taken adequate insurance to cover the risks to its people, plant and machineries, buildings and other assets, profits and third parties.

Directors

According to Article 134 of the Articles of Association of the Company, Mr G S Patel, Mr B S Mehta and Mr B N Mohanan retire by rotation and being eligible offer themselves for reappointment at the forthcoming Annual General Meeting scheduled on July 27, 2012.

Corporate Governance

A Report on Corporate Governance along with a certificate from the Statutory Auditors regarding compliance of the conditions of Corporate Governance pursuant to Clause 49 of the Listing Agreement is annexed.

Listing

The Company has paid the annual listing fees for the year 2012-13 to Bombay Stock Exchange Ltd and National Stock Exchange of India Ltd.

Fixed Deposits

Fixed deposits amounting to ₹ 0.17 cr as on March 31, 2012 were not claimed by the depositors. The fixed deposits which matured on or before March 31, 2005, but remained outstanding since then were transferred to the Investor Education and Protection Fund as required under Section 205 C of the Companies Act, 1956.

Conservation of Energy, Technology Absorption, Foreign Exchange Earnings & Outgo and Employees

Information required under Section 217(1)(e) of the Companies Act, 1956, read with Rule 2 of the Companies (Disclosure of Particulars in the Report of the Board of Directors) Rules, 1988 and information as per Section 217(2A) of the Companies Act, 1956, read with the Companies (Particulars of Employees) Rules, 1975, as amended from time to time, forms a part of this Report. However, as per the provisions of Section 219(1) (b)(iv), the Report and Accounts are being sent to all the Members excluding the information relating to conservation of energy, technology absorption, foreign exchange earnings & outgo and the statement of particulars of employees. Any Member interested in obtaining such particulars may inspect the same at the registered office of the Company or write to the Company Secretary for a copy.

Subsidiary Companies

The Company has nine subsidiary companies namely, Atul Rajasthan Date Palms Ltd, DPD Ltd, Atul Bioscience Ltd, Atul USA Inc, Atul Europe Ltd, Atul Deutschland GmbH, Atul China Ltd, Atul Brasil Quimicos Ltda and Ameer Trading Corporation Ltd.

Pursuant to the general exemption granted by the Central Government, details as provided under Section 212(1) of the Companies Act, 1956 in respect of the subsidiary companies are not attached. Management Discussion & Analysis

The Company had, in 2010-11, made reassessment of the risks and returns of its portfolio of products, the nature of its businesses, the industries it serves, etc, and accordingly reclassified its portfolio of products into two Reporting Segments, namely, Life Science Chemicals and Performance & Other Chemicals. Generally, products used by customers belonging to Agriculture and Pharmaceutical industries are a part of Life Science Chemicals Segment and the other products are a part of Performance & Other Chemicals Segment.

Segment: Life Science Chemicals

	2011-12	2010-11	% change
Sales (₹ cr)	604	492	23
Share in total sales (%)	34	33	1

The performance and other details of the Businesses are given below:

Crop Protection

Products

Fungicides, Herbicides, Insecticides, Others

Crop Protection Business mainly comprises Fungicides, Herbicides and Insecticides. The products are used by customers belonging to Agriculture industry for the protection of crops. The Business comprises about 13 products and 54 formulations. It is not into Seeds which is now becoming an important input for Agriculture industry.

During the year, sales increased by 16% to ₹ 358 cr. Sales in India increased by 4% to ₹ 162 cr; bulk sales in India increased by 10% whereas brand sales which are currently only in India decreased

by 4% to ₹ 66 cr. Export sales increased by 29% to ₹ 196 cr and formed 55% of the total. Growth on account of volume was 2%.

World market for crop protection chemicals is estimated at US\$ 51 bn and is growing at about 3%. Indian market for such chemicals is estimated at US\$ 1 bn and is growing at about 5%. There are about 60 major companies which dominate the world marketplace, and there are about 10 companies in India having sales of more than US\$ 110 mn.

The main user industry, namely, Agriculture, is growing well because of the increasing population on the one hand and improving standard of living on the other. The Company will participate in this growth by i) debottlenecking capacities, ii) introducing new products and new formulations, iii) significantly improving efficiencies, iv) promoting own brands and v) enhancing the presence in other countries, particularly in Africa and South America. It will also form long-term alliances with other companies.

Floods or famines will adversely affect the demand. Registration costs are high in certain countries. Fluctuations in foreign exchange will impact sales realisations. Given that some of these chemicals can be toxic, it is essential to take utmost care in their manufacture and use.

Pharmaceuticals

Products

APIs, API intermediates, Others

Pharmaceuticals Business mainly comprises API intermediates and a few APIs. The products are used by customers belonging to Pharmaceutical industry, under five broad therapeutic categories, namely, cardiovascular, anti-depressant, anti-diabetic, anti-infective and anti-retroviral. The Business comprises 28 products, relatively new to the portfolio (of products) of the Company. It is not currently engaged in formulations of APIs.

During the year, sales increased by 34% to ₹ 246 cr. Sales in India increased by 40% to ₹ 125 cr. Export sales increased by 27% to ₹ 121 cr and formed 49% of the total. Growth on account of volume was 13%. Atul Bioscience, a 100% subsidiary company, focussed on production of advanced API intermediates and now has two multi-purpose plants manufacturing a range of products, sales of which increased from ₹ 4 cr to ₹ 11 cr, almost wholly because of volume.

World market for pharmaceuticals is estimated at

US\$ 730 bn (comprising US\$ 680 bn prescription drugs and US\$ 50 bn generic drugs) and is growing at about 5%. Indian Pharmaceuticals market is estimated at US\$ 22 bn (including sales out of India) and is growing at about 8%. There are around 20 major companies which dominate the world marketplace in prescription drugs space with share of about 67% and around 8 companies in generic drugs space with share of about 70%.

The main user industry, namely, Healthcare, is growing well because of the increasing awareness about diseases and health. The Company along with Atul Bioscience will participate in this growth by i) debottlenecking | adding capacities, ii) introducing new products, iii) significantly improving efficiencies and iv) widening its market reach. It will also form long-term alliances with other companies.

Prices of many products come down significantly in a short time. Fluctuations in foreign exchange will impact sales realisations.

Segment: Performance & Other Chemicals

	2011-12	2010-11	% change
Sales (₹ cr)	1157	1016	14
Share in total sales (%)	66	67	(1)

Aromatics

Products

p-Cresol, Others

Aromatics Business mainly comprises *p-Cresol* and its downstream products. The products are mainly used by customers belonging to Flavour & Fragrance and Personal Care industries. The Business comprises 29 products.

During the year, sales increased by 34% to ₹ 252 cr. Sales in India increased by 38% to ₹ 80 cr. Export sales increased by 32% to ₹ 172 cr and formed 68% of the total. Growth on accounted of volume was 14%. The Company undertook capacity expansion of *p-Cresol*.

World market of *p-Cresol* is estimated at 55,000 mt and is growing at about 3%. Though earlier the product used to be manufactured in the UK and the USA, China and India are now the major suppliers of the product.

The main user industries, namely, Flavour & Fragrance and Personal Care, are growing well because of the increasing population on the one hand and improving standard of living on the other. The Company will participate in this growth by i) expanding capacities, ii) introducing new products, iii) improving efficiencies and iv) widening its market reach.

The prices of key raw materials which are derived from crude oil fluctuate almost monthly whereas the customers in the user industries expect the prices of the finished products to remain firm for a quarter or even more; on such occasions, it is possible to get affected adversely. Fluctuations in foreign exchange will impact sales realisations.

Bulk Chemicals

Products

Sodium Hydroxide, Chlorine, Sulphuric Acid, Oleum, Sulphur Trioxide, Chlorosulphonic Acid, Resorcinol, Others

Bulk Chemicals Business mainly comprises Sodium Hydroxide, Chlorine, Sulphuric Acid, Oleum, Sulphur Trioxide, Chlorosulphonic Acid and Resorcinol. Barring Chlorosulphonic Acid and Resorcinol, the rest of the products are used for captive consumption. Resorcinol is mainly used by customers belonging to Tyre industry. The Business comprises 22 products.

During the year, (external) sales increased by 11% to ₹ 72 cr. Sales in India increased by 26% to ₹ 58 cr. Export sales decreased by 26% to ₹ 14 cr and formed 19% of the total. Growth on account of volume was 2%.

World market for bulk chemicals is growing at about 0.5% and Indian market is growing at about 2%. World market for Resorcinol is estimated at US\$ 295 mn and is growing at about

3%; Indian market for the product is estimated at US\$ 13 mn and is growing at about 5%.

The captive consumption of bulk chemicals is expected to grow as the Company expands manufacturing capacities of its various products. Tyre industry is expected to grow further because of increasing population on the one hand and improving standard of living on the other. The Company will participate in this growth by i) increasing and modernising capacities of the bulk chemicals, ii) increasing efficiency and capacity of Resorcinol, iii) introducing new and downstream products and widening its market reach.

The demand and prices of bulk chemicals are cyclical in nature. Fluctuations in foreign exchange will impact sales realisations.

Colors

Products

Textile dyes, Textile chemicals, Pigments, Paper dyes, Inks, Others

Colors Business mainly comprises dyes for natural fibres such as Vat, Sulphur Black and Reactive and in a small way high performance pigments. The products are used by customers belonging to Textile and Paint & Coatings industries. The Business comprises about 500 products. M. Dohmen S. A., a JV company, manufactures dyes for synthetic fibres such as speciality Disperse. The products made by M. Dohmen are mainly used by customers (belonging to Textile industry) supplying automotive textiles to Automobile industry. Rudolf Atul Chemicals Ltd, a JV company formed during the year, will provide a complete range of textile chemicals where the Business had made a beginning and had a minuscule presence in Indian market

During the year, sales increased by 6% to ₹ 346 cr. Sales in India increased by 2% to ₹ 185 cr. Export sales increased by 12% to ₹ 161 cr and formed 47% of the total. Degrowth on account of volume was 5%.

World market for dyes and textile chemicals is estimated at US\$ 11 bn and is growing at about 2% and Indian market is estimated at US\$ 800 mn and is growing at about 3%.

China is the largest manufacturer of dyes followed by India. World market for high performance pigments is estimated at US\$ 3.5 bn and is growing at about 4%.

The main user industry, namely, Textile, is heavily dependent on the markets of the USA and Europe; due to difficult economic situation in some of these countries, the industry has shown considerably sluggish growth. The growth of domestic Textile industry has been impacted by the closure of textile units in Tirupur and the volatility in cotton prices. Automobile industry is growing well, particularly in India. The Company is trying to overcome downward pressure on prices by i) debottlenecking capacities and thus reducing the cost per unit, ii) introducing new dyes, pigments and textile chemicals, iii) improving efficiencies and iv) widening its market reach, particularly in selected countries in South America, Asia and Africa, with the cooperation of M. Dohmen and Rudolf.

Fluctuations in foreign exchange will impact sales realisations. Treatment costs are expected to remain high given that the manufacture of dyes generates significant pollutants.

Polymers

Products

Epoxy Resins and Hardeners, Reactive diluents, Sulphones, Others

Polymers Business mainly comprises Epoxy Resins and Hardeners and formulations thereof, other components such as air release agents, reactive diluents, rheological modifiers, wetting agents, etc and Sulphones. These products are used by Aerospace, Automobile, Construction, Defence, Electronics, Footwear, Handicraft, Marine, Paint & Coatings, Paper and Wind Energy industries. The group comprises of about 90 products and 240 formulations.

During the year, sales increased by 11% to ₹ 487 cr. Sales in India increased by 11% to ₹ 345 cr. Brand sales which is currently only in India increased by 43% to ₹ 76 cr. Export sales increased by 11% to ₹ 142 cr and formed 29% of the total. Growth on account of volume was 5%. The Company signed a joint venture Agreement with Elkay Kimyasal Maddeler San. Ve Tic. A.S., a reputed manufacturer of stone care chemicals; these will have an excellent fitment with the product portfolio of the Company. Two debottlenecking projects already under implementation will be completed during 2012-13.

World market for Epoxy Resins and Hardeners is estimated at US\$ 6 bn and is growing at about 2% and Indian market is estimated at US\$ 210 mn and is growing at about 10%. There are about 7 major companies which dominate the world marketplace. The two key raw materials, namely Bisphenol-A and Epichlorohydrin, are imported into India. World market for Sulphones is estimated at US\$ 300 mn and is growing at about 4%.

The user industries, Automobile, Construction and Paint & Coatings, are growing well, particularly in India. The Company will participate in this growth by i) significantly debottlenecking capacities of Epoxy Resins and Hardeners, ii) introducing new products and formulations, iii) improving efficiencies and iv) widening its market reach.

Cheaper imports of Epoxy Resins and Hardeners will keep the contribution margins under pressure. Since the two main raw materials are imported, fluctuations in foreign exchange will impact margins.

Internal Control Systems

The Internal Control Systems of the Company are commensurate with the nature of its business and size and complexity of its operations. These are routinely tested and certified by Statutory as well as Internal Auditors covering all key areas of business. Significant audit observations and follow up actions and recommendations thereon are reported to the higher management and Audit Committee for its review.

The Company has an in-house Internal Audit Department consisting of professionally qualified managers and is also working with reputed firms specialising in internal audit function. The combined efforts is helping the Company to introduce best practices required to manage its growing business that now comprises, amongst others, subsidiary, joint venture and associate companies in India and abroad.

During the year, the Company further strengthened the systems of internal audit and risk assessment and mitigation and took several key initiatives. In specific, the Company i) introduced usage of advanced analytical tools and techniques for internal audit and thus helped to improve coverage, efficiency and effectiveness of audit and ii) implemented Enterprise Risk Management for each Business and the Company as a whole and iii) increased the audit coverage of subsidiary companies.

Everything that irritates us about others can lead us to an understanding of ourselves.

– Carl Jung

Human Resources

The Company continued with its drive to institutionalise and upgrade its HR processes. In particular, it focused on improving its processes relating to Performance Management (Training & Development, Key Initiatives: identification and review, Competencies, 360 degree feedback and fixed and variable pay).

On an average, 5 mandays of training was imparted during the year. The training need is identified based on self assessment and L+1 assessment; in addition, there are certain standard courses which everyone is expected to go through, depending upon his (her) grade. The identification and review process of Key Initiatives has become more robust and is continuously upgraded.

For the first time in 3 years, the number of employees (as on March 31, 2012) increased by 91 or 3% to 2737, mainly in Marketing Departments. The number of employees comprises those working in the Company and also in its non-manufacturing subsidiary and associate companies, but not those working in manufacturing subsidiary, joint venture and associate companies.

Long-term Wage Settlements with the Unions at Valsad and Ankleshwar sites are under discussion and will help bring further improvements particularly in manpower productivity. Employee Relations at all locations continued to be cordial, and the endeavour is to completely eliminate the divide that sometimes separates the Management and the Unions and use the strengths of everyone to boost the performance of the Company.

Statements made in the Management Discussion & Analysis report relating to projections, estimates, expectations or predictions are based on certain assumptions. The Company cannot guarantee that these assumptions are accurate or will be realised. The actual results, performance or achievements of the Company may thus differ materially from those estimated or projected.

Report of the Auditors

To the Members

1. We have audited the attached Balance Sheet of Atul Ltd as at March 31, 2012, and the related Statement of Profit and Loss and the Cash Flow Statement for the year ended on that date annexed thereto, which we have signed under reference to this report. These financial statements are the responsibility of the Management of the Company. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with the Auditing Standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the Accounting Principles used and significant estimates made by the Management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. As required by the Companies (Auditor's Report) Order, 2003, as amended by the Companies (Auditor's Report) (Amendment) Order, 2004 (together the 'Order'), issued by the Central Government of India in terms of sub-section (4A) of Section 227 of 'The Companies Act, 1956' of India (the 'Act') and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
4. Further to our comments in the Annexure referred to in paragraph 3 above, we report that:
 - (a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this report are in agreement with the books of account;
 - (d) In our opinion, the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this report comply with the Accounting Standards referred to in sub-section (3C) of Section 211 of the Act;
 - (e) On the basis of written representations received from the Directors, as on March 31, 2012 and taken on record by the Board of Directors, none of the Director is disqualified as on March 31, 2012 from being appointed as a Director in terms of Clause (g) of sub-section (1) of Section 274 of the Act;
 - (f) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements together with the notes thereon and attached thereto give, in the prescribed manner, the information required by the Act, and give a true and fair view in conformity with the Accounting Principles generally accepted in India:
 - (i) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2012;
 - (ii) in the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
 - (iii) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Annexure to the Report of the Auditors

Referred to in paragraph 3 of the Auditors' Report of even date to the Members of Atul Ltd on the financial statements for the year ended March 31, 2012

- i. (a) The Company is generally maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
 - (b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of 3 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies between the book records and the physical inventory have been noticed.
 - (c) In our opinion and according to the information and explanations given to us, a substantial part of fixed assets has not been disposed of by the Company during the year.
- ii. (a) The inventory (excluding stocks with third parties) has been physically verified by the Management during the year. In respect of inventory lying with third parties, these have substantially been confirmed by them. In our opinion, the frequency of verification is reasonable.
 - (b) In our opinion, the procedures of physical verification of inventory followed by the Management are reasonable and adequate in relation to the size of the Company and the nature of its business.
 - (c) On the basis of our examination of the inventory records, in our opinion, the Company is maintaining proper records of inventory. The discrepancies noticed on physical verification of inventory as compared to book records were not material.
- iii. (a) The Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the register maintained under Section 301 of the Act.

The other Clauses, (iii)(b), (iii)(c), and (iii)(d) of paragraph 4 of the Companies (Auditor's Report) Order, 2003, as amended by the Companies (Auditor's Report) (Amendment) Order, 2004, are not applicable in the case of the Company for the year, since in our opinion there is no matter which arises to be reported in the aforesaid order.
- (b) The Company has taken unsecured loans (in nature of Fixed Deposits), from 5 parties covered in the register maintained under Section 301 of the Act. The maximum amount involved during the year and the year end balance of such loans amounts to ₹ 0.84 cr and ₹ 0.83 cr respectively.
- (c) In our opinion, the rate of interest and other terms and conditions of such loans are not prima facie prejudicial to the interest of the Company.
- (d) In respect of the aforesaid loans, the Company is regular in repaying the principal amounts as stipulated and is also regular in payment of interest, where applicable.
- iv. In our opinion and according to the information and explanations given to us, there is an adequate Internal Control System commensurate with the size of the Company and the nature of its business for the purchase of inventory, fixed assets and for the sale of goods and services. Further, on the basis of our examination of the books and records of the Company, and according to the information and explanations given to us, no major weaknesses have been noticed or reported.
- v. (a) In our opinion and according to the information and explanations given to us, the particulars of contracts or arrangements referred to in Section 301 of the Act have been entered in the register required to be maintained under that Section.
 - (b) In our opinion and according to the information and explanations given to us, the transactions made in pursuance of such contracts or arrangements and exceeding the value of ₹ 0.05 cr in respect of any party during the year have been made at prices which are reasonable having regard to the prevailing market prices at the relevant time.
- vi. In our opinion and according to the information and explanations given to us, the Company has

Annexure to the Report of the Auditors

complied with the provisions of Sections 58A and 58AA or any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 1975 with regard to the deposits accepted from the public. According to the information and explanations given to us, no Order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal on the Company in respect of the aforesaid deposits.

- vii. In our opinion, the Company has an internal audit system commensurate with its size and nature of its business.
- viii. We have broadly reviewed the books of account maintained by the Company in respect of products where, pursuant to the Rules made by the Central Government of India, the maintenance of cost records has been prescribed under Clause (d) of sub-section (1) of Section 209 of the Act, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We

have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

- ix. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues including Provident Fund, Investor Education and Protection Fund, Employees State Insurance, Income tax, Sales tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty, Cess and other material statutory dues as applicable with the appropriate authorities.
- (b) According to the information and explanations given to us and the records of the Company examined by us, the particulars of dues of income tax, sales tax, customs duty, excise duty and cess as at March 31, 2012 which have not been deposited on account of disputes are as follows:

Name of the statute	Nature of dues	Amount (₹ cr) (a)	Period to which the amount relates	Forum where the dispute is pending (b)

(b) Necessary stay received from the respective authority.

Annexure to the Report of the Auditors

There were no dues towards service tax and wealth tax as at March 31, 2012 which has not been deposited on account of any dispute.

- x. The Company has no accumulated losses as at March 31, 2012 and it has not incurred any cash losses in the financial year ended on that date or in the immediately preceding financial year.
- xi. According to the records of the Company examined by us and the information and explanations given to us, the Company has not defaulted in repayment of dues to any financial institution or bank or debenture holders as at the Balance Sheet date.
- xii. The Company has not granted any loans and advances on the basis of security by way of pledge of shares, debentures and other securities.
- xiii. The provisions of any special statute applicable to chit fund | nidhi | mutual benefit fund | societies are not applicable to the Company.
- xiv. In our opinion, the Company is not a dealer or trader in shares, securities, debentures and other investments.
- xv. In our opinion and according to the information and explanations given to us, the terms and conditions of the corporate guarantees given by the Company, for loans taken by a subsidiary company and others from banks or financial institutions during the year, are not prejudicial to the interest of the Company.
- xvi. In our opinion, and according to the information and explanations given to us, on an overall basis, the term loans have been applied for the purposes for which they were obtained.
- xvii. On the basis of an overall examination of the Balance Sheet of the Company, in our opinion and according to the information and explanations given to us, there are no funds raised on a short-term basis which have been used for long-term investment.
- xviii. The Company has not made any preferential allotment of shares to parties and companies covered in the register maintained under Section 301 of the Act during the year.
- xix. The Company has not issued any debentures during the year and does not have any debentures outstanding as at the year end.
- xx. The Company has not raised any money by public issues during the year.
- xxi. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud on or by the Company, noticed or reported during the year, nor have we been informed of such case by the Management.

Notes to financial statements

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES

General information

Founded by Mr Kasturbhai Lalbhai in 1947, Atul Ltd has emerged, starting with the manufacture of a few dyes, as one of the diverse chemical companies, serving industries such as Adhesives, Aerospace, Agriculture, Animal feed, Automobile, Chemical, Composites, Construction, Cosmetics, Defence, Dyestuff, Electrical & Electronics, Flavour & Fragrance, Glass, Home Care, Paint & Coatings, Paper, Personal Care, Pharmaceutical, Plastic, Polymer, Rubber, Soap & Detergent, Textile and Tyre. The Company has established subsidiary companies in Brasil, China, Germany, the UK and the USA to work closely with its customers and expand its business. The Company is listed on Bombay Stock Exchange Ltd and National Stock Exchange of India Ltd and has about 32,000 Shareholders. The Promoter group holds a little in excess of 50% of the equity capital.

1 Basis of preparation:

These financial statements have been prepared on accrual basis and under historical cost convention and in compliance, in all material aspects, with the applicable Accounting Principles in India, the applicable Accounting Standards notified under Section 211 (3C) and the relevant provisions of the Companies Act, 1956. The significant Accounting Policies adopted by the Company are detailed below.

All the assets and liabilities have been classified as current or non-current as per the normal operating cycle of the Company and other criteria set out in Schedule VI to the Companies Act, 1956. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2 Use of Estimates:

The preparation of financial statements in conformity with generally accepted Accounting Principles requires Management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based on best knowledge of current events and actions of the Management, actual results may differ from these estimates. Differences between actual results and estimates are recognised in the period in which the results are known | materialised .

3 Fixed Assets:

a) Tangible Assets:

i) Fixed assets are carried at cost of acquisition including incidental expenses, less accumulated depreciation, amortisation and impairment. Freehold land, lease hold land at Panoli and certain business premises and assets received free of cost on premature cancellation of a Lease Agreement are valued at fair value.

ii) Spares for specific machinery are carried at cost less amortisation.

b) Intangible Assets:

Computer software includes Enterprise Resource Planning project and other cost relating to software which provides significant future economic benefit. Cost comprise license fees and cost of system integration services.

4 Depreciation and Amortisation:

Depreciation:

Depreciation on building and plant and equipment is being provided on 'Straight Line Method' basis and on all other assets on 'Written Down Value' basis in accordance with the provisions of Section 205(2)(b) and 205(2) (a) of the Companies Act, 1956 respectively, in the manner and at the rates specified in Schedule XIV to the said Act.

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES (contd)

Depreciation on additions to the assets during the year is being provided on pro-rata basis at their respective rate with reference to the month of acquisition | installation.

Depreciation on assets sold, scrapped or discarded during the year is being provided at their respective rates up to the month in which such assets are sold, scrapped or discarded.

Depreciation is adjusted in subsequent periods to allocate the revised carrying amount of assets after the recognition of an impairment loss on a systematic basis over its remaining useful life of assets.

Amortisation:

- a) Premium on lease hold land is amortised over the period of lease.
- b) Cost of spares for specific machinery is amortised over remaining useful life of related machinery.
- c) Cost of Computer software is amortised over a period of three years.

5 Impairment of Assets:

The carrying amounts of assets are reviewed at each Balance Sheet date to assess if there is any indication of impairment based on internal | external factors. An impairment loss will be recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount of the assets is net selling price or value in use, whichever is higher. While assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognised impairment loss is further provided or reversed depending on changes in the circumstances.

6 Borrowing Costs:

Borrowing costs in relation to acquisition and construction of qualifying assets are capitalised as part of cost of such assets up to the date when such assets are ready for intended use. Other borrowing costs are charged as expense in the year in which these are incurred.

7 Investments:

Investments that are intended to be held for more than a year, from the date of acquisition, are classified as long-term investments and are carried at cost. However, provision for diminution in value of investments is made to recognise a decline, other than temporary, in the value of the investments.

8 Inventories:

- a) Raw materials, packing materials, purchased finished goods, work-in-progress, finished goods, fuel, stores and spares other than specific spares for machinery are valued at cost or net realisable value whichever is lower. Cost is arrived at on moving weighted average basis.
- b) Goods-in-transit and in bonded warehouse are stated at the cost to the date of Balance Sheet.
- c) 'Cost' comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventory to the present location and condition.
- d) Due allowances are made for obsolete inventories based on technical estimates made by the Company.

9 Foreign Currency Transactions:

- a) Initial recognition:

Transactions denominated in foreign currencies are recorded at the rate prevailing on the date of the transaction.

- b) Conversion:

At the year end, monetary items denominated in foreign currencies remaining unsettled are converted into Indian rupee equivalents at the year end exchange rates. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

Notes to financial statements

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES (contd)

c) Exchange differences:

All exchange differences arising on settlement and conversion of foreign currency transactions are included in the Statement of Profit and Loss. The Company has opted to avail the choice provided under paragraph 46A of Accounting Standard-11 'The effects of changes in foreign exchange rates' inserted vide Notification dated December 29, 2011 issued by the Ministry of Corporate Affairs. Consequently, foreign exchange difference on account of a depreciable asset acquired out of long-term borrowings is adjusted in the cost of the depreciable asset, which will be depreciated over the balance life of the asset.

d) Forward exchange contracts not intended for trading or speculation purposes:

The premium or discount arising at the inception of forward exchange contract is amortised as expense or income over the life of the contract. Exchange differences on such contract are being recognised in the Statement of Profit and Loss for the year. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or expense for the year.

e) Derivatives:

Where the Company has entered into derivative contracts such as Interest Rate Swaps, Currency Swaps, Forward Contracts and Currency Options, to hedge risk associated with interest and foreign currency fluctuations relating to firm commitments and forecasted transactions, hedging instruments are initially measured at fair value, and are remeasured at subsequent reporting dates.

Changes in the fair value of these derivatives that are designated and effective as hedges of future cash flows are recognised directly in shareholders' funds, under 'Hedging Reserve' and the ineffective portion is recognised immediately in the Statement of Profit and Loss. Changes in the fair value of derivative financial instruments that do not qualify for hedge accounting are recognised in the Statement of Profit and Loss as they arise.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting. At that time, for forecasted transactions, any cumulative gain or loss on the hedging instrument recognised in Shareholders' funds is retained there until the forecasted transaction occurs. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognised in shareholders' funds is transferred to the Statement of Profit and Loss for the period.

10 Revenue Recognition:

a) Sale of goods:

Revenue is recognised when the significant risks and rewards of ownership of goods have passed to the buyer, which generally coincides with delivery. It includes excise duty but excludes value added tax and sales tax.

b) Export sales are accounted on the basis of dates of on board Bill of Lading and | or Air Way Bill.

c) Service income is recognised, net of service tax, when the related services are provided.

d) Eligible export incentives are recognised in the year of export.

e) Lease rental income is recognised on accrual basis.

f) Dividend income is accounted for in the year in which the right to receive the same is established.

g) Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

11 Provisions, Contingent Liabilities and Contingent Assets:

Provisions involving a substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Provision is not discounted to its present value and is determined based on the best estimate required to settle an obligation at the year end. These are reviewed every year end and adjusted to reflect the best current estimate. Contingent liabilities are not recognised but are disclosed in the financial statements. Contingent assets are neither recognised nor disclosed in the financial statements.

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES (contd)

12 Research & Development Expenditure:

Research & Development expenditure is charged to revenue under the natural heads of account in the year in which it is incurred. Research & Development expenditure on fixed assets is treated in the same way as expenditure on other fixed assets.

13 Employee Benefits:

a) Defined contribution plan:

Contribution paid | payable by the Company during the period to Provident Fund, Super Annuation Fund, Employees' State Insurance Corporation, and Labour Welfare Fund are recognised in the Statement of Profit and Loss.

b) Defined benefit plan:

Gratuity:

Gratuity liability is a defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. The liability so provided is represented by creation of separate funds and is used to meet the liability as and when it accrues for payment in future. Actuarial gains | losses are immediately taken to Statement of Profit and Loss.

Long-term leave encashment:

Long-term leave encashment is provided for on the basis of an actuarial valuation carried out at the end of the year on the project unit credit method. Actuarial gains | losses are immediately taken to Statement of Profit and Loss.

Provident fund:

Provident fund for certain eligible employees is managed by the Company through the 'Atul Products Ltd - Ankleshwar Division Employees Provident Fund Trust' in line with Provident Fund and Miscellaneous Provisions Act, 1952. The plan guarantees interest at the rate notified by the Provident Fund Authorities. The contribution by the employer and employee together with the interest accumulated thereon are payable to employees at the time of their separation from the Company or retirement, whichever is earlier. The benefits vest immediately on rendering of the services by the employee.

c) Short-term leave encashment:

Short-term leave encashment is provided at undiscounted amount during the accounting period based on service rendered by employees.

d) Voluntary retirement scheme:

Compensation payable under the voluntary retirement scheme is being charged to Statement of Profit and Loss in the year of settlement.

14 Taxation:

a) Income tax expense comprises current tax and deferred tax charge or credit. Provision for current tax is made on the basis of the assessable income at the tax rate applicable to the relevant assessment year.

b) MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax within the specified period.

c) Deferred tax asset and deferred tax liability are calculated by applying tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets on account of timing differences are recognised, only to the extent there is a reasonable certainty of its realisation. Deferred tax assets are reviewed at each Balance Sheet date to reassure realisation.

15 Government Grants:

a) Government grants are recognised when there is reasonable assurance that the same will be received.

b) Revenue grants for expenses incurred are reduced from the respective expenses.

c) Capital grants relating to specific fixed assets are reduced from the cost of the respective fixed assets.

Report of the Auditors on Consolidated Financial Statements

To the Board of Directors

1. We have audited the attached consolidated Balance Sheet of Atul Ltd (the 'Company') and its subsidiary companies, its jointly controlled entity and associate companies; hereinafter referred to as the 'Group' (refer Note 27.8 to the attached consolidated financial statements) as at March 31, 2012, the related consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement for the year ended on that date annexed thereto, which we have signed under reference to this report. These consolidated financial statements are the responsibility of the Management of the Company. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with the Auditing Standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the Accounting Principles used and significant estimates made by the Management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. We did not audit the financial statements of (i) five subsidiary companies and one jointly controlled entity included in the consolidated financial statements, which constitute total assets of ₹ 173.32 cr as at March 31, 2012, total revenue of ₹ 238.04 cr, net profit of ₹ 18.55 cr and net cash outflows amounting to ₹ 2.13 cr for the year then ended; and (ii) fourteen associate companies which constitute net loss of ₹ 12.38 cr for the year then ended. These financial statements and other financial information have been audited by other Auditors whose reports have been furnished to us, and our opinion on the consolidated financial statements to the extent they have been derived from such financial statements is based solely on the report of such other Auditors.
4. We report that the consolidated financial statements have been prepared by the Management of the Company in accordance with the requirements of Accounting Standard-21 Consolidated Financial Statements, Accounting Standard-23 Accounting for Investments in Associates in Consolidated Financial Statements, and Accounting Standard-27 Financial Reporting of Interests in Joint Ventures notified under sub-section 3C of Section 211 of the Companies Act, 1956.
5. Based on our audit and on consideration of reports of other Auditors on separate financial statements and on the other financial information of the components of the Group as referred to above, and to the best of our information and according to the explanations given to us, in our opinion, the attached consolidated financial statements give a true and fair view in conformity with the Accounting Principles generally accepted in India:
 - (a) in the case of the consolidated Balance Sheet, of the state of affairs of the Group as at March 31, 2012;
 - (b) in the case of the consolidated Statement of Profit and Loss, of the profit of the Group for the year ended on that date: and
 - (c) in the case of the consolidated Cash Flow Statement, of the cash flows of the Group for the year ended on that date.

Notes to Consolidated financial statements

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES

1 System of Accounting:

- 1.1 The Company, generally, follows the mercantile system of accounting and recognises income and expenditure on an accrual basis except those with significant uncertainties.
- 1.2 The consolidated financial statements are based on historical cost. These costs are not adjusted to reflect the impact of the changing value in the purchasing power of money except in case of freehold land, certain leasehold land, building premises and plant and machinery which have been revalued and resultant surplus is kept credited under revaluation reserves.

2 Principles of Consolidation:

- 2.1 The consolidated financial statements include the financial statements of Atul Ltd, the parent company and all of its subsidiary companies (collectively referred to as 'the Group'), in which the Company has more than one-half of the voting power of an enterprise or where the Company controls the composition of the Board of Directors.
- 2.2 The consolidated financial statements are prepared in accordance with Accounting Standard-21 'Consolidated Financial Statements' issued by the Institute of Chartered Accountants of India.
- 2.3 The investments in associate companies are accounted in these consolidated financial statements in accordance with the requirements of Accounting Standard-23 'Accounting for Investments in associate companies in Consolidated Financial Statements', issued by the Institute of Chartered Accountants of India. (for details see Note No 27.9)
- 2.4 The investments in Joint Venture companies are accounted in these consolidated financial statements in accordance with the requirements of Accounting Standard-27 'Financial Reporting of Interest in Joint Venture Company' issued under the Companies (Accounting Standards) Rules 2006 on proportionate consolidation method. Thus the Group's Statement of Profit and Loss, Balance Sheet and Cash Flow Statement incorporate the Group's share of income, expenses, assets, liabilities and cash flows of the Joint Venture on a line-by-line basis.
- 2.5 The financial statements of the parent company and its subsidiary companies have been combined on a line by line basis by adding together book values of the items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions resulting in unrealised profits or losses.
- 2.6 The consolidated financial statements are prepared by adopting uniform Accounting Policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as standalone financial statements of the parent Company.
- 2.7 Financial statement of integral foreign subsidiary companies translated into Indian rupees pursuant to Accounting Standards-11 (revised 2003) 'The effects of changes in foreign exchange rate' are as follows:
 - 2.7.1 Revenues and expenses are translated into Indian rupees at average exchange rate, which is not as per requirements of Accounting Standards-11, but having no material effect on the results of consolidated accounts.
 - 2.7.2 Monetary items are translated into Indian rupees using the year end rate.
 - 2.7.3 Non-monetary items are translated using exchange rate at the date of transaction.
 - 2.7.4 The net exchange difference resulting from the translation of items in financial statement of the subsidiaries companies is recognised as income or expense under the head 'Exchange difference on translation of foreign subsidiaries companies.'

3 Other Significant Accounting Policies:

3.1 Basis of preparation:

These financial statements have been prepared on accrual basis and under historical cost convention and in compliance, in all material aspects, with the applicable Accounting Principles in India, the applicable

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES (contd)

Accounting Standards notified under Section 211 (3C) and the relevant provisions of the Companies Act, 1956. The Significant Accounting Policies adopted by the Company are detailed below.

All the assets and liabilities have been classified as current or non current as per the normal operating cycle of the Company and other criteria set out in Schedule VI to the Companies Act 1956. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

3.2 Use of Estimates:

The preparation of financial statements in conformity with generally accepted Accounting Principles requires Management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based on best knowledge of current events and actions of the Management, actual results may differ from these estimates. Differences between actual results and estimates are recognised in the period in which the results are known | materialised.

3.3 Fixed Assets:

a) Tangible Assets:

- i) Fixed assets are carried at cost of acquisition including incidental expenses, less accumulated depreciation, amortisation and impairment. Freehold land, lease hold land at Panoli and certain business premises and assets received free of cost on premature cancellation of a Lease Agreement are valued at fair value.
- ii) Spares for specific machinery are carried at cost less amortisation.

b) Intangible Assets:

Computer software includes Enterprise Resource Planning project and other cost relating to software which provides significant future economic benefit. Cost comprise license fees and cost of system integration services.

3.4 Depreciation and Amortisation:

Depreciation:

Depreciation on building and plant and equipment is being provided on 'Straight Line Method' basis and on all other assets on 'Written Down Value' basis in accordance with the provisions of Section 205(2) (b) and 205(2)(a) of the Companies Act, 1956 respectively, in the manner and at the rates specified in Schedule XIV to the said Act.

Depreciation on additions to the assets during the year is being provided on pro-rata basis at their respective rate with reference to the month of acquisition | installation.

Depreciation on assets sold, scrapped or discarded during the year is being provided at their respective rates up to the month in which such assets are sold, scrapped or discarded.

Depreciation is adjusted in subsequent periods to allocate the revised carrying amount of assets after the recognition of an impairment loss on a systematic basis over its remaining useful life of assets.

Amortisation:

- a) Premium on lease hold land is amortised over the period of lease.
- b) Cost of spares for specific machinery is amortised over remaining useful life of related machinery.
- c) Cost of Computer software is amortised over a period of three years.

Notes to Consolidated financial statements

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES (contd)

3.5 Impairment of Assets:

The carrying amounts of assets are reviewed at each Balance Sheet date to assess if there is any indication of impairment based on internal | external factors. An impairment loss will be recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount of the assets is net selling price or value in use, whichever is higher. While assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognised impairment loss is further provided or reversed depending on changes in the circumstances.

3.6 Borrowing Costs:

Borrowing costs in relation to acquisition and construction of qualifying assets are capitalised as part of cost of such assets up to the date when such assets are ready for intended use. Other borrowing costs are charged as expense in the year in which these are incurred.

3.7 Investments:

Investments that are intended to be held for more than a year, from the date of acquisition, are classified as long-term investments and are carried at cost. However, provision for diminution in value of investments is made to recognise a decline, other than temporary, in the value of the investments.

3.8 Inventories:

- a) Raw materials, packing materials, purchased finished goods, work-in-progress, finished goods, fuel, stores and spares other than specific spares for machinery are valued at cost or net realisable value whichever is lower. Cost is arrived at on moving weighted average basis.
- b) Goods-in-transit and in bonded warehouse are stated at the cost to the date of Balance Sheet.
- c) 'Cost' comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventory to the present location and condition.
- d) Due allowances are made for obsolete inventories based on technical estimates made by the Company.

3.9 Foreign Currency Transactions:

- a) Initial recognition:
Transactions denominated in foreign currencies are recorded at the rate prevailing on the date of the transaction.
- b) Conversion:
At the year end, monetary items denominated in foreign currencies remaining unsettled are converted into Indian rupee equivalents at the year end exchange rates. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.
- c) Exchange differences:
All exchange differences arising on settlement and conversion of foreign currency transactions are included in the Statement of Profit and Loss. The Company has opted to avail the choice provided under paragraph 46A of Accounting Standard-11 'The effects of changes in foreign exchange rates' inserted vide Notification dated December 29, 2011 issued by the Ministry of Corporate Affairs. Consequently, foreign exchange difference on account of a depreciable asset acquired out of long-term borrowings, is adjusted in the cost of the depreciable asset, which will be depreciated over the balance life of the asset.
- d) Forward exchange contracts not intended for trading or speculation purposes:
The premium or discount arising at the inception of forward exchange contract is amortised as expense or income over the life of the contract. Exchange differences on such contract is being recognised in the Statement of Profit and Loss for the year. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or expense for the year.

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES (contd)

e) Derivatives:

Where the Company has entered into derivative contracts such as Interest Rate Swaps, Currency Swaps, Forward Contracts and Currency Options, to hedge risk associated with interest and foreign currency fluctuations relating to firm commitments and forecasted transactions, hedging instruments are initially measured at fair value, and are remeasured at subsequent reporting dates.

Changes in the fair value of these derivatives that are designated and effective as hedges of future cash flows are recognised directly in shareholders' funds, under 'Hedging Reserve' and the ineffective portion is recognised immediately in the Statement of Profit and Loss. Changes in the fair value of derivative financial instruments that do not qualify for hedge accounting are recognised in the Statement of Profit and Loss as they arise.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting. At that time, for forecasted transactions, any cumulative gain or loss on the hedging instrument recognised in shareholders' funds is retained there until the forecasted transaction occurs. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognised in shareholders' funds is transferred to the Statement of Profit and Loss for the period.

3.10 Revenue Recognition:

a) Sale of goods:

Revenue is recognised when the significant risks and rewards of ownership of goods have passed to the buyer, which generally coincides with delivery. It includes excise duty but excludes value added tax and sales tax.

b) Export sales are accounted on the basis of dates of on board Bill of Lading and | or Air Way Bill.

c) Service income is recognised, net of service tax, when the related services are provided.

d) Eligible export incentives are recognised in the year of export.

e) Lease rental income is recognised on accrual basis.

f) Dividend income is accounted for in the year in which the right to receive the same is established.

g) Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

3.11 Provisions, Contingent Liabilities and Contingent Assets:

Provisions involving a substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Provision is not discounted to its present value and is determined based on the best estimate required to settle an obligation at the year end. These are reviewed every year end and adjusted to reflect the best current estimate. Contingent liabilities are not recognised but are disclosed in the financial statements. Contingent assets are neither recognised nor disclosed in the financial statements.

3.12 Research & Development Expenditure:

Research & Development expenditure is charged to revenue under the natural heads of account in the year in which it is incurred. Research & Development expenditure on fixed assets is treated in the same way as expenditure on other fixed assets.

3.13 Employee Benefits:

a) Defined contribution plan:

Contribution paid | payable by the Company during the period to Provident Fund, Super Annuation Fund, Employees' State Insurance Corporation, and Labour Welfare Fund are recognised in the Statement of Profit and Loss.

Notes to Consolidated financial statements

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES (contd)

b) Defined benefit plan:

Gratuity:

Gratuity liability is a defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. The liability so provided is represented by creation of separate funds and is used to meet the liability as and when it accrues for payment in future. Actuarial gains | losses are immediately taken to Statement of Profit and Loss.

Long-term leave encashment:

Long-term leave encashment is provided for on the basis of an actuarial valuation carried out at the end of the year on the project unit credit method. Actuarial gains | losses are immediately taken to Statement of Profit and Loss.

Provident fund:

Provident fund for certain eligible employees is managed by the Company through the 'Atul Products Ltd - Ankleshwar Division Employees Provident Fund Trust' in line with Provident Fund and Miscellaneous Provisions Act, 1952. The plan guarantees interest at the rate notified by the Provident Fund Authorities. The contribution by the employer and employee together with the interest accumulated thereon are payable to employees at the time of their separation from the Company or retirement, whichever is earlier. The benefits vest immediately on rendering of the services by the employee.

c) Short-term leave encashment:

Short-term leave encashment is provided at undiscounted amount during the accounting period based on service rendered by employees.

d) Voluntary retirement scheme:

Compensation payable under the voluntary retirement scheme is being charged to Statement of Profit and Loss in the year of settlement.

3.14 Taxation:

- a) Income tax expense comprises current tax and deferred tax charge or credit. Provision for current tax is made on the basis of the assessable income at the tax rate applicable to the relevant assessment year.
- b) MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax within the specified period.
- c) Deferred tax asset and deferred tax liability are calculated by applying tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets on account of timing differences are recognised, only to the extent there is a reasonable certainty of its realisation. Deferred tax assets are reviewed at each Balance Sheet date to reassure realisation.

3.15 Government Grants:

- a) Government grants are recognised when there is reasonable assurance that the same will be received.
- b) Revenue grants for expenses incurred are reduced from the respective expenses.

- At cost, except land - freehold, certain leasehold land, building premises and plant and equipment stated at revalued value.
- Land - leasehold at cost less amounts written off.
- Includes premises on ownership basis ₹ 1.10 cr (Previous year ₹ 1.10 cr) and cost of fully paid share in co-operative society ₹ 2,000 (Previous year ₹ 2,000).
- The Company has revalued (i) Leasehold land and (ii) Commercial land & building at Ahmedabad, Mumbai and Delhi as at March 31, 2008 at fair market value as determined by an independent valuer appointed for the purpose. Resultant increase in book value amounting to ₹ 107.47 cr has been transferred to Revaluation reserve.
- Pursuant to the order passed by Honourable High Court of Gujarat, dated November 17, 2008 and April 17, 2009 in case of water charges, the Company has created first charge over its certain land & buildings in favour of Government of Gujarat.
- The Company has opted to recognise exchange differences arising on reporting of long-term foreign currency monetary items in line with paragraph 46 of Accounting Standard-11 'The effects of changes in foreign exchange rates' inserted vide Notification dated December 29, 2011 issued by the Ministry of Corporate Affairs. Pursuant to the above, the effect of exchange differences on long-term foreign currency monetary items, so far as they relate to acquisition of depreciable capital assets, are amortised over the remaining life of such assets. Had the Company continued to follow the earlier Accounting Policy, the net foreign exchange loss recognised in the Statement of Profit and Loss would have been higher by ₹ 1.89 cr and Fixed Assets would have been lower by ₹ 1.89 cr.

NOTE 27.4 FINANCIAL DERIVATIVES HEDGING TRANSACTIONS:

Pursuant to the announcement issued by the Institute of Chartered Accountants of India dated March 29, 2008 in respect of forward exchange contracts and currency and interest rate swaps, the Company has applied the Hedge Accounting Principles set out in the Accounting Standard-30 'Financial Instruments: Recognition and Measurement'. Accordingly, range forward contracts are marked to market and the loss aggregating ₹ 0.78 cr (Previous year ₹ 5.09 cr) arising consequently on contracts that were designated and effective as hedges of future cash flows has been recognised directly in the hedging reserve account. Actual gain or loss on exercise of these range forward contracts or any part thereof is recognised in the Statement of Profit and Loss. Hedge Accounting will be discontinued if the hedging instrument is sold, terminated or no longer qualifies for Hedge Accounting.
